

JPS Parents,

The AAA is requiring that all student athletes have a Dragonfly account for the following school year to participate in athletics.

This app and website will be a one stop shop for schedules, eligibility, contact information, physicals, etc.

Here is a link to the website. You can do this on the website or get the app. <https://www.dragonflymax.com/>

Information about DragonFly:

DragonFly is simplifying every part of athletic department management. Each user has specific needs and we provide great time saving and organizational tools for whatever your role.

- Coaches need to know who is ready and able to play.
- Parents want their kids to play sports without hours of paperwork.
- Athletic Associations want to provide great athletic experiences, while ensuring teams meet rules & obligations.
- Healthcare providers want athletes to participate in a safe competitive environment.

DragonFly builds tools to make all this possible without overloading any one person with too much of the work.

DragonFly is an athlete-centered electronic health record that simplifies paperwork for athletics/school registration in two ways:

1. We don't rely on the student to be a "carrier pigeon." (*That doesn't work.*)
2. There is NO PAPER.

Creating an account through the Website:

1. Visit [DragonFlyMAX.com](https://www.dragonflymax.com).
2. Click "Login/Sign-Up" at top of the screen.
