# A "Serious Health Condition", for purposes of paid Sick Bank leave, means an illness, injury impairment, or physical condition that involves one of the following:

#### 1. Hospital Care

Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care.

#### 2. Surgery (Non-elective)

A period of absence due to an urgent surgical procedure which also results in a period of incapacity.

#### 3. Permanent /Long-term Conditions Requiring Supervision

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of a health care provider. Examples include a severe stroke or the terminal stages of a disease.

#### 4. Multiple Treatments

Any period of absence to receive multiple treatments (including any resulting period of recovery) by a health care provider either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), and kidney disease (dialysis).
